

THE GAZETTE.

SATURDAY EVENING, FEBRUARY 4.

THE CHORPENNING FRAUD. Or, rather, the discovery of this fraud—a mere trifle of some four hundred and odd thousand dollars—is the latest sensation in Congress. The discovery is due to the vigilance of the chairman of the House Committee on Appropriations, Mr. Dawes; and, but for his timely investigation, the money, under the convenient provisions of a bill smuggled through in the noise and confusion of the last day of the last session, would doubtless have been drawn from the Treasury on an order from the Postmaster General. This same Chorpenning, on the same claim for mail services between Salt Lake City and Sacramento, as it appears, had, as far back as 1877, drawn some two or three hundred thousand dollars extra compensation; and, finding his claim a good place, he had, through his irresistible lobby instruments, perfected his arrangements for this larger haul, when the trick was detected and his game was blocked. It appears, too, that a Mr. Earl, formerly a high officer in the Post Office Department, was an active agent of Chorpenning in the work of securing the passage of his "little bill"—no doubt a very good stalking horse for the purpose. The two ugliest features thus presented in this case are the looseness of Congressional legislation on these jobs and claims, and the lobby services of ex-officers of the several departments in this disreputable business.—*N. Y. Herald.*

A WIFE BOUGHT AND SOLD.—Strange as it may seem, a man in this city actually sold his wife to another man on Tuesday of this week. The "valuable consideration" was ten dollars in money, which sum was actually paid over. The couple, so facetiously divorced, have been husband and wife for a term of eight years, and have a son seven years old and one child younger. In the arrangement the father was to keep the older child and the new "pair" were to have the younger. The "purchaser" is a young man, and, after the transaction, he took the woman and went home with her, to take the place of the husband of the house, he having bought the furniture.—*Trinidad (Colorado) Enterprise.*

CHARLES WHITTLESEY,
UNITED STATES COMMISSIONER.
—A N D—
ATTORNEY AND COUNSELLOR IN BANKRUPTCY.

Congress having just amended the Bankrupt law so that nearly all parties can be discharged from their debts unobstructed by the fifty per cent. clause, so-called, another opportunity offers to secure the benefits of this most effective and permanent measure of relief. The above-named will make bankrupt business a specialty; will procure discharges on the most moderate terms, and transact all business in that line at prices which cannot fail to be satisfactory. Being United States Commissioner he will endeavor to visit the different counties on court days, and thus save parties the trouble and expense of several trips to Alexandria in beginning and proceeding with their cases. Discharges can be obtained here before Register Hill as promptly as in Richmond or elsewhere, and at much less expense to parties. It may be added that the Bankrupt act, in connection with the Homestead exemption, which is now believed will be secured to the bankrupt under the bankrupt law, is the only relief now offered to parties struggling in the hopeless bondage of old debts. MEDICAL.

To Physicians.

New York, August 15th, 1868.
Allow me to call your attention to my PREPARATION OF COMPOUND EXTRACT BUCHU.

The component parts are BUCHU, LONG LEAF, CUBEBS, JUNIPER BERRIES.
MODE OF PREPARATION.—Buchu, in vacuo Juniper Berries, by distillation, to form a fine gum. Cubebs extracted by displacement with spirits obtained from Juniper Berries; a very little sugar is used, and a small proportion of spirit. It is more palatable than any now in use.

Buchu, as prepared by Druggists, is of a dark color. It is a plant that emits its fragrance; the action of a flame destroys this (its active principle) leaving a dark and glutinous decoction. Mine is the color of ingredients. The Buchu, in my preparation predominates; the smallest quantity of the other ingredients are added, to prevent fermentation; upon inspection, it will be found not to be a Tincture, as made in Pharmacopoe, nor is it a Syrup, and therefore can be used in cases where fever or inflammation exist. In this you have the knowledge of the ingredients and the mode of preparation.

Hoping that you will favor it with a trial, and that upon inspection it will meet with your approbation.

With a feeling of confidence,
I am, very respectfully,
H. T. HELMBOLD,
Chemist and Druggist of 16 Years' Experience.

From the largest Manufacturing Chemists in the world.)
November 4, 1874.

I am acquainted with Mr. H. T. Helmbold; he occupies the Drug Store opposite my residence, and was successful in conducting the business where others had not been equally so before him. I have been favorably impressed with his character and enterprise.

WILLIAM WRIGHTMAN,
Firm of Powers & Wrightman, Manufacturing Chemists, Ninth and Brown streets, Philadelphia

HEIMBOLD'S FLUID EXTRACT BUCHU, for weakness arising from indigestion. The exhausted powers of Nature, which are accompanied by so many alarming symptoms, among which will be found Indigestion to Exertion, Loss of Memory, Wakefulness, Horror of Disease, or Forebodings of Evil; in fact Universal Lassitude, Prostration and inability to enter into the enjoyments of society.

The constitution, once affected with Organic Weakness, requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. If no treatment is submitted to, Consumption ensues.

HEIMBOLD'S FLUID EXTRACT BUCHU, in sections peculiar to Females, is unequalled by any other preparation, as in Chlorosis, or Retention, Painfulness, or Suppression of Customary Evacuations, Ulcerated or Scirrhous State of the Uterus, and all complaints incident to the sex, or the decline or change of life.

HEIMBOLD'S FLUID EXTRACT BUCHU, in its quality, as well as great purity of Intonation, and sweetness throughout the entire scale. Their TOUCH is pleasant and elastic, and entirely free from the stiffness found in so many Piano's.

IN WORKMANSHIP they are unequalled, using none but the very best seasoned material, the large capital employed in our business enabling us to keep continually an immense stock of lumber, on hand.

ALL OUR SQUARE PIANOS have our New Improved Overstrung Scale and the Agrado Treble.

We would call special attention to our late improvements in GRAND PIANOS and SQUARE GRANDS, Patent Aug. 14, 1866, which bring the Piano nearer perfection than has yet been attained.

Every Piano fully Warranted for Five Years. We have made arrangements for the Sole Wholesale Agency for the Potomac and Chesapeake Regions, and for the States of Va., Md., and D. C., which we offer, wholesale and retail, at lowest factory prices.
